MILDRED'S

CHOWDER HOUSE RESTAURANT

THE HOME OF
CAPE COD CLAM CHOWDER

Mildred's Chowder House was started in 1949 as a small restaurant by Mildred and her two sons, Jim and Bernie.

Their speciality was Chowder, Seafood and Friendly Service.

In those peaceful days on Cape Cod life was different, less complicated, for the smaller population.

Something unchanged to today is the delicious Clam Chowder being served to you. Mildred's Clam Chowder was created by Mildred herself, and is still made from her original recipe.

Good food and friendly service have continued throughout the years making Mildred's Chowder House the old reliable Cape Cod institution with a wholesome reputation and quality tradition it maintains today.
